

Logging into your School Computer

1. Once the computer is turned on, you will be greeted with a screen featuring an Indian Trail logo. If the login boxes do not immediately appear, press any key and they will pop up.
2. Enter your login credentials.
Username: ID# (for example, 12345)
Password: Assigned by the school
3. Press the arrow at the end of the password box, or hit "enter."

Tip: Write down your password where you will not lose it! Have an adult at home write your password somewhere safe too!
